**Bases para un catálogo  
de la cinematografía chicano-latina  
y sus distribuidores\***

*Héctor Garza*

La siguiente compilación de films *chicano-latinos* fue posible gracias a la existencia del Festival del Cine Chicano organizado por la Eastern Michigan University. Como este festival sólo existe desde hace tres años, la lista no pretende ser exhaustiva. Podría ocurrir también que en algunos casos, los distribuidores hayan cambiado de domicilio o que algunas películas hayan cambiado de distribuidor.

Se incluyen además algunas películas puertorriqueñas y un puñado de películas latinoamericanas de interés particular para los estudios chicanos.

Casi todas las cintas incluidas existen en 16 mm, muchas de ellas también se encuentran en formato de video.
