Index	131

The 2001 British Films Catalogue is published by the British Council's Films & Television Department.

*The films and credits in this catalogue are those submitted by their producers/sales agents for inclusion, and credits are not contractual. The catalogue is not an exhaustive record of the year's British film production, nor do the films included necessarily meet the British Council criteria used to define a British film.*

**The British Films Catalogue 2001 is also available as a website on:  
[www.britfilms.com](http://www.britfilms.com)**
